

Rachel Contracting Opens North Dakota Office

This spring Rachel Contracting expanded its operations by opening an office in Williston, North Dakota. Kevin Klimmek a Senior Project Manager at Rachel Contracting is the main contact for the North Dakota location. Chris King, Field Superintendent, and Matt Peterson, Project Engineer, are the local North Dakota contacts that will be on-site. Currently the company is working on a handful of jobs, with more prospected in the future. One of the current projects Rachel Contracting is working on is the North Dakota Department of Transportation Tobacco Garden Bay S to JCT ND 23 located in McKenzie County, North Dakota. Rachel Contracting is offering the following Oil & Gas Field Services at its North Dakota location:

- Site Development
- Reserve Pit Installation & Removal
- Aggregate Hauling & Placement
- Soil & Road Stabilization
- Site Remediation & Clean-up
- Site Reclamation
- Roustabout Crew
- Water Hauling
- Snow Removal
- Logistic Solutions

If you have an interest in using Rachel Contracting's services in North Dakota please contact Kevin Klimmek.
